### **Bobcat 450 and 453 Skid-Steer Loader Service Manual**

I have a Bobcat 450 with a gas Kohler engine. I cannot get it to run. It has plenty of gas. I changed the fuel filter a few days ago and it ran fine. Today it will not run. I spray some starter fluid in the carb and it fires right up and runs 2 or 3 seconds, until it runs out of starter fluid. I took the gas cap off in case it was a clogged vent.
