Today, Students will listen to the lecture on slideshow 3-2 "Mitosis and Meiosis". The main focus on the slideshow presentation will be Meiosis, and the stages of Meiosis I and Meiosis II. If time permits, students will be able to complete a probe listed on the rss.discoveryeducation.com website. If not, the assignment will be given out tomorrow.

### \*\*\*Mitosis\*\*\* - Welcome to Mr. Lloyd's 7th grade science!

Meiosis I. Meiosis is preceded by an interphase consisting of the G 1, S, and G 2 phases, which are nearly identical to the phases preceding mitosis. The G 1 phase, which is also called the first gap phase, is the first phase of the interphase and is focused on cell growth. The S phase is the second phase of interphase, during which the DNA of the chromosomes is replicated.
