Controversies in Drugs Policy and Practice: McKeganey, N ...

McKeganey's book, Controversies in Drug Policy and Practice, is exactly that—controversial, but at the same time integral to any reasoned debate about drugs and prohibition. Although at times cursory, the arguments put forward raise important questions that require consideration. As the title suggests, the book focuses on the most contentious issues, including harm reduction, drug treatment, the classification of cannabis, the children of drug users, legalization, the politics of drug ...
