The most notable fixtures of these events are the tall ships, with their square-rigged masts towering above the sea. However, many other smaller sailing vessels participate in the events as well. OpSail events do not take place each year, or even on a regular schedule; this is part of what makes the events so special.

The Tall Ships' Races are races for sail training "tall ships" (sailing ships).The races are designed to encourage international friendship and training for young people in the art of sailing. The races are held annually in European waters and consists of two racing legs of several hundred nautical miles, and a "cruise in company" between the legs.. Over one half (fifty-percent) of the crew of ...

Tall Ships' Races - Wikipedia

They are sailing ships, with as much as 11,000 square feet of sails, that carry passengers or cargo or both, either commercially or for pleasure. The word "tall" refers to the height of their masts, which extend sometimes more than 100 feet (30+ meters) above the water.
